## IN A BLAZE OF GLORY.

The Three Days' Ovation Which the Memphis People Tendered Adm. Dewey Was So Ended.

Memphis, Tenn., May 9.—Two brilliant receptions last night, one at the residence of Gen. Luke E. Wright and the other at the Peabody hotel, closed the list of entertainments which were arranged by the Memphis people for the delectation of Adm. and Mrs. Dewey, and the three days' ovation which the city and the surrounding country were proud to tender their distinguished guests went out with a blaze of glory.

At the residence of Gen. Luke E. Wright the first reception was given from 8 until 9 o'clock by the Oliver Perry Chapter of Daughters of the American Revolution.

The Peabody hotel, where the admiral's last public appearance was made, was a scene of patriotic grandeur, flags and bunting flying from every available space. Hundreds of people were in waiting in the large parlors, and a great hurrah went up when the admiral entered the rooms. For two hours Adm. and Mrs. Dewey received citizens and visitors of Memphis, shaking hands with all who passed before him.

## MORE CADETS NEEDED.

A Clause in the Pending Army Bill Provides for the Appointment of 100 at Large.

Washington, May 9.—An importance scarcely second to that of the increase of artillery is attached by the secretary of war to the clause in the pending army bill providing for the appointment by the president of 100 cadets at large to the military academy at West Point. This year's class at the academy graduates only 54 to supply 139 vacancies in the regular establishment, and after the enlisted men are found to increase the available worthy material perhaps to eight there will still remain at least 50 vacancies in the grade of second lieutenant. The next class at the academy is now only about 75 strong, and will graduate 60. The vacancies will probably exceed 150, and four years from now the vacancies will amount to 250, with no increase in the properly qualified graduates to fill them.

## DEVASTATED THE LAND.

Millions of Yellow and Green Locusts Swooped Down on the District and Ate Everything Green.

Alamazoo, Mich., May 9.—A report came from Troy, Berrien county, that millions of locusts alighted in that section Sunday and devastated the land of all vegetation. The insects were yellow and green, with long legs and big heads. The insects pelted everything they came in contact with. Animals in the field stood with lowered heads taking the storm upon their backs and flanks. In two minutes the insects had so peppered a vast area that its color and character were entirely altered. In an incredibly short time the insects had eaten up every green thing, and after the grass and leaves were devoured in their hunger they ate the bark of shrubs and trees. When they arose from the soil or from any clump of trees the place they quitted had a barren and wintry aspect.

## EXPENDED VAST AMOUNTS.

Detailed Statement Sent to the Senate of the Cost of the Paris Exposition Commission.

Washington, May 9.—The detailed statement sent to the senate for the cost of the Paris exposition commission from the date of its organization to December 31, 1899, shows that the total amount paid for salaries was \$167,768, and for traveling expenses \$53,397.

There are a number of items charged in lump, as, for instance, furniture and office incidentals, \$19,000; newspapers, press clippings, photographs, messenger service, cab hire and express and freight charges, \$16,000; temporary services of draftsman, \$10,477. The commissioner general, Ferdinand W. Peck, has received \$11,031 as salary and \$3,724 as traveling expenses, a total of \$14,755.

## The Eight Hour Bill.

Washington, May 9.—In view of the recent eight hour movement throughout the country, the report made to the house of representatives by Chairman Gardner of the committee on labor, on the Gardner eight hour bill and the general subject of eight hour legislation, has a timely interest. The bill requires a clause in all government contracts that the labor under the contract shall not exceed eight hours daily.

## Big Crowd From Huntsville.

Huntsville, Ala., May 9.—It is likely that the greatest delegation of Confederate veterans that ever went from Huntsville to a reunion will go to Louisville in June. Egbert Jones camp is making great preparations for the trip. About \$200 has been raised to pay the expenses of members of the camp who are unable to pay their own expenses.

## Sharkey Won in Two Rounds.

Tattersalls, Chicago, May 9.—Tom Sharkey at Tattersalls knocked out Joe Choyinski, of California, in two rounds. The fighting was of the hurricane order, both men landing repeatedly, but Sharkey had the fight well in hand throughout.

## Bingham Faction Ticket.

Birmingham, Ala., May 9.—The Birmingham faction of the republican party, through its state executive committee, nominated a state ticket to be voted for at the August election headed by Chas. P. Lane for governor.

## HEAVY EMBEZZLEMENT.

C. F. W. Neely is Charged With Appropriating \$36,000 of United States Funds at Havana.

Washington, May 9.—The arrest of C. F. W. Neely at Rochester, N. Y., Saturday and his arraignment in New York Monday, charged with embezzling \$36,000 of United States funds from the post office in Havana, caused some surprise at the post office department here, but not at the war department, which had ordered his arrest. Mr. Neely lived at Muncie, Ind., before he was sent to Cuba as a postal clerk when the United States took possession and assumed direction of government there. First Assistant General Heath knew Neely as a fellow townsman. The island is under the control of the war department and Maj. Rathbone, the director of posts, was appointed by the president and given discretion in appointing his assistants and clerks.

Washington, May 9.—It is said the shortage in the accounts of Charles F. Neely, of Muncie, Ind., treasurer of the post office department in Cuba, may amount to \$100,000. Few facts on which to base definite figures are in the possession of the officials here, but it seems evident that the first estimated of \$36,000 will be largely exceeded. Government officials are making a rigid examination.

Neely will probably fight extradition. There is some discussion as to the law under which he can be tried. The laws of the United States do not extend over Cuba. Neither is there any extradition between the United States and Cuba. If Neely is taken to Cuba and tried under Spanish laws, his lawyer could plead that, being an American citizen, Neely was not amenable to trial under Spanish laws.

The only matter of interest which came before Tuesday's cabinet meeting was the alleged heavy shortage in the accounts of Charles F. Neely, formerly treasurer of the post office department of Cuba. Neely has been arrested in Rochester, N. Y., and the question arose as to whether the United States or Cuba was responsible for the amount of defalcation. It seemed to be the opinion of all the members present that as Neely was appointed by the United States and that in administering the affairs of the island this government is acting, in a sense, as a trustee, it therefore is responsible for the shortage, and can proceed against Neely's bondsmen for the amount involved. It was practically settled, too, that Neely would be taken back to Havana for trial before a civil tribunal. It is expected that the prisoner's counsel will contest any effort to return him to Havana, but it is the opinion of the attorney general that it can and should be done.

## IMPORTANT CAPTURE.

Gen. MacArthur Confirms the Capture of Gen. Garcia—Three Americans Killed at Batocae.

Washington, May 9.—The war department has received the following cablegrams from Gen. MacArthur: "Manila, May 8.—Gen. Pantaleon Garcia, prominent insurgent officer, Northern province, captured yesterday with some valuable documents, by Funston's troops. Regard capture important."

(Signed) "MacArthur."

Manila, May 9.—A force of rebels, about 200, attacked about 20 men of Co. I of the 44th regiment, stationed at Batocae, Iloilo province, on the island of Panay. Three of the Americans were killed and seven were wounded.

## CUBAN EDITOR KILLED.

He Was an Active Politician and His Paper Had Recently Been Criticizing American Officials.

Gimera, Province of Santiago de Cuba, May 8.—Senor Alberto, editor of the Don Claridades, was shot and instantly killed by an unknown assassin at the theater Sunday night.

Alberti was an active politician and his paper recently has been criticizing the action of American officials, particularly the election orders. Hidalgo, who killed Capt. Smith, collector of this port, in January was editor of the Don Claridades.

Alberti had received threatening letters, which he ridiculed in his paper.

## Increased Pension Fund.

Washington, May 9.—From \$2,000,000 to \$3,000,000 a year is the amount Commissioner of Pensions Evans roughly estimates will be added to the pension expenditures of the government by the action of the house of representatives in passing the bill which has already passed the senate amending the dependent pension law of 1890.

## Four Farmers Drowned.
